

# The All American Junior Jersey Show

## Wisconsin and Indiana Juniors Take Home Top Honors

Each November, Jersey juniors from around the country gather in Louisville, Ky., to compete among the best of the best with their Registered Jerseys.

On November 4, 2006, judge Steve Hendress, Wolcott, Ind., and his consultant Brian Schilling, Boggsstown, Ind., had their work cut out for them as they judged the 224 Registered Jerseys™ vying for Junior All American and Reserve Junior All American honors.

"It certainly has been a pleasure to work with this great group," said Hendress. "The real key to a successful show is the youth that have participated in the show today."

"Brian and I are excited to have the opportunity to be here today," continued Hendress.

Hendress made his debut as judge of The All American Junior Jersey Show. However, he is no stranger to working with youth as he is an animal science instructor and assistant manager of the dairy research farm at Purdue University in Indiana and assists with the Purdue University dairy judging team and the club advisor.

Schilling hails from an Ayrshire operation in Indiana. He is also accustomed to working with dairy youth, including his own children that have begun purchasing Registered Jerseys over the past several years.

The youth competing in the Junior activities at The All American have a long,

but exciting day each year. Their morning begins early, as the cow show starts at 8:00 a.m. and continues throughout the day. It finishes just before the Pot O'Gold Sale begins at 4:00 p.m. in Newmarket Hall that afternoon. After juniors make investments in their future through the sale, they head to the South Hall for the All American Junior Banquet at 7:00 p.m. During those two hours, over 100 dairy youth are recognized for their achievements in the past year.

### Junior All American and Reserve Junior All Americans Named

During the Championship classes, a total of 26 individuals were recognized with the designation of Junior All American or Reserve Junior All American.

Each first place individual was presented a framed All American gold seal certificate showcasing the winner's name and class designation as a Junior All American. Framed Reserve Junior All American silver certificates were awarded to the runner-ups in each class.

Executive Secretary Neal Smith gave his congratulations and made the presentations, as the large ringside audience watched, along with an untold number of people across the world viewing the ceremonies on steaming live video provided by the NAILE.

### The Champions

Three well-known cows and junior exhibitors were left standing in the center of the ring when judges Hendress and Schilling made their picks for Grand and Reserve Grand Champion. Up for the honors were the four-year-old cow, Avonlea Konnection Rory and led by owner Brandi Stevens, Indianapolis, Ind.; the aged cow Smart Remake Enchantment with her owner Craig Martin, Olivet, Mich.; and senior three-year-old cow Smart Nate Gunner Cher and her breeder and owner Amanda Curtis, Anna, Ohio.

"Brian and I think that it comes down to these three cows that we pulled out," explained Hendress.

"For us it comes down to a logical pair at the top and we agree that the four-year-old will be your champion cow today," said judge Hendress as Avonlea Konnection Rory received her banner. "She has enough quality of width and quality of udder and veining of udder, snugness of attachment, teat size and shape."

"The logical reserve is to bring out the aged cow," said Hendress of Smart Remake Enchantment. "She is a cow with the same kind of power, strength, and a beautiful udder with the complete package."

Smart Nate Gunner Cher was named best bred and owned of the show and received the Dutch Hollow Farm Trophy.

judge Hendress "picked two heifers that fit together very well and exhibit extreme dairiness."

Two Wisconsin Jersey juniors making their first trip to the green shavings of Louisville took home Junior and Reserve Junior Champion honors. Meadowridge K Tel Fancy, the Junior All American Senior Calf exhibited by Mark Riebe, Cumberland, Wis., took home the Junior Champion banner. Hendress described Riebe's winning heifer as "a heifer that set

the bar when she walked in the ring."

Trisha Stanek, Prairie du Chien, Wis., and her Junior All American Summer Yearling, Trishas Spark Sage took home the Reserve Junior Champion honors.

"It was her feet and legs that carried this stylish heifer above the quality group of heifers in the ring," complimented Judge Hendress of "Spark."

Brandi Stevens also was recognized with her Junior All American Winter Yearling, FH CDJude Jazz as honorable mention

Junior Champion.

**Other Awards**

For the first time in the history of the Premier Performance Class, a milking senior yearling took home top honors. Piedmont Legion Ring, exhibited by Mandy Lutz, Lincolnton, N.C., earned the highest point total to win the award. The \$500 premium was sponsored by Robert and Helene Driesbach. "Ring" was the

Taking second in the Premier Performance Class was the All American Senior Two-Year-Old Cow, DeMents Jade Dawn, exhibited by Janell Baum, Clinton, Ill. She received a \$250 cash award sponsored by Endres Jazzy Jerseys. Placing third and receiving a \$100 check was JJF Nicky of Paramount, exhibited by Cameron Lutz, Lincolnton, N.C.

The Sunbow Jerseys Trophy, sponsored by the Charles Steer Family, Cottage

Grove, Tenn., for the top producing cow based upon yield deviation for pounds of protein, went to Dylan Ellenburg, Morristown, Tenn., on his four-year-old cow, Aspen Grove Mirage Image-ET. Her yield deviation was +167 protein.

Two youth received special recognition for Premier Junior Breeder and Premier Junior Exhibitor, both sponsored by Bush River Jerseys, Newberry, S.C. Amanda Curtis, received the Premier Breeder banner in her last year in the Junior Jersey show. With this award a lifetime membership to the World Jersey Cattle Bureau is also given by the Bureau. Mark Riebe was the recipient of the Premier Exhibitor banner.

Pennsylvania Jersey Cattle Association presents each class winner with a gift. Covington Jerseys, Leon, Iowa, presents a pewter replica of the original AJCC Jersey Calf Club medallion for the best uddered cow in each class. Class protein awards are sponsored by Sycamore Hill Gradens, George and Karen Hanford, Marcellus, N.Y., and Waverly Farm, Clear Brook, Va. (winners pictured on page xx).

## Class winners

Last year's Junior Champion of the show, returned to take top honors as the first-place milking senior yearling. LC Legion Patticake, exhibited by Taylor Leach, Linwood, Kan., was an "easy winner" for judge Hendress.

"She excels," said Hendress of his winner. "She carries herself with more style and balance all the way through."

Placing second was the "clean cut" overall premier performance cow, Piedmont Legion Ring, shown by Mandy Lutz.

OBJ Sambo Betts, Julie Ozburn, Nolensville, Tenn., best bred and owned; 4. JCJ Saber 12575, Colin Russell, Hilmar, Calif., PA protein award; 5. TS Bakers Nightline, Casey Baker, Roanoke, Ind.

"We have a pair of cows that just step up pretty quickly for us in this class," said judge Hendress of his top pair in the junior two-year-old class.

Taking first place honors was "a cow that is a little more of a complete package for me," said Hendress of Cloverfield Centurion Essence bred and owned by Michigan junior Craig Martin.

"The advantage today goes to the second

cow in her mammary system,” continued Hendress of Ahlem Legion Bambi 4265, exhibited by R. J. Doran, Newberry, S.C.

“She has a little more quality and definition and a super sound mammary on the first cow,” concluded Hendress.

Two Illinois Jersey youth took the top two spots in the senior two-year-old class. Janell Baum, Clinton, Ill., had the winning entry with DeMents Jade Dawn. Kristen Jordan of Moweaqua, Ill., followed close on her heels with best bred and owned entry JFF Renaissance Deluxe Lilly.

“This pair of cows fits very soundly together at the top,” said Hendress of the Junior All American and Reserve Junior All American Senior Two-Year-Olds.

“Both of these cows just have tremendous rib, lots of sweep, openness and depth of rib,” described Judge Hendress. “I think they are tremendous bodied cows and the mammary systems makes the decision to put them at the top.”

It was the mammary system that placed last year’s first place junior two-year-old in the top spot this year as a junior three-year-old.

R. J. Doran led BRJ Bomber Pitino Eilene X-17 to the coveted number one spot for the second year in a row.

“These are two beautifully balanced cows at the top of the class,” raved Hendress of the cows. “We made the decision on the mammary system and the first cow is the best udder in the class.”

Following in second was Meadowridge Jetson Janine exhibited by Mark Riebe.

“What a nice group of cows to place here in this class” described Judge Hendress of the 11 entries in the senior three-year-old class.

The Supreme Champion of the World Dairy Expo Junior Show—Smart Nate Gunner Cher—took top honors in the senior three-year-old class for her breeder and owner Amanda Curtis.

“The quality in the number one cow is the veining and quality of the rear udder

attachment,” said Hendress of his winner.

Meadowridge Kaptain Kandi placed second for Mark Riebe. “She is a logical second place with the cleanliness of bone and openness of rib,” complimented Hendress.

At the end of the day, “Cher” was named best bred and owned of the show and honorable mention Grand Champion.

Smart Remake Enchantment was described as "an easy winner" of the 17 aged cows exhibited. It was her "rib structure and more youthful mammary system" that placed her over Responses Cheryl, exhibited by White. She went on to be named Reserve Grand Champion of the show.

"I have so much respect for the second place cow as she is the oldest cow in the class," Hendress said of "Cheryl." "She's extremely clean, has a deep quality beautiful udder and has a lot of quality about the udder."

Meadowridge K Tel Fancy, exhibited by Mark Riebe, captured the eye of judges Hendress and Schilling in the class.

“We have a real quality heifer to start the class today,” explained Hendress in his reasons. “She is an easy winner with so much style and balance, you never see this heifer out of line.”

Second place Edgebrooks Jade Justice-Twin was given the nod as she “has a touch more spring of rib when you get behind her.” She was exhibited by Amanda Thompson, Wellsville, Pa.
