"Victoria" was bred by Stuart Noble, PA, and purchased by us at the 2002 All American Jersey Sale on her second lactation. She is backed by two Excellent dams Nobledale Juno Vermont, E-94%, and an E-92% "Legend." "Victoria" produced 39 daughters with 31 bred by Goff Dairy. Today there are 300 female descendants spanning six generations from her. One hundred of these offspring are appraised with 19 Excellent and 63 Very Good. The highest is her daughter by "Centurion" at E-94%. Eleven male descendants have gone to A.I. including Dave-Ron Militia Security, syndicated at The 2007 All American Sale. We have had great success marketing her offspring and they are excelling genomically as well.
