"Holly" is bred back to **Hometown Irresistible** and is due in July.

Her pedigree is deep and strong:

Dam: Scotch View Fair Halo, E-94%
126,270M, 5,519F, 4,267P—6 lacts.

Grandam: Scotch View Lester Peace, E-91%
135,860M, 5,989F, 4,857P—8 lacts.

3rd dam: Bensons Sooner Peaches, E-93%
224,580M, 10,518F, 8,338P—14 lacts.

We are so thankful for this fantastic cow. We have flushed "Holly" numerous times over the years and she never lets us down. She blessed us with 23 registered females and 12 of her bulls have went into AI programs. She gets no special treatment, she runs with the whole herd and still outcompetes most cows half her age.

She is a GREAT cow!
