

The cow that showed us what *Genomics* could do!

Pearlmount Impuls Daffy, E-90% JHIF

4-3 305 18,560 5.0% 932 3.8% 707 102DCR

5 lactations average 16,794—856—661 ME

Ranks on the Top 1.5% GJPI Cow List at +126

“Daffy” bred by Pearlmount, and sold to Sunset Canyon, Bruce Roos and Kara Hale at the 2009 All American Jersey Sale, set the Jersey breed on fire when her first genomic evaluations came back. Her genomic evaluation far surpassed her traditional numbers and helped turn her into a great brood cow today!

- 91 registered progeny to date
- 30 sons in A.I. with five sons ranked among the top 14 December Active A.I. Bull list including:
 - 7JEI 150 Sunset Canyon **DIGNITARY-ET**
Ranks 3rd at +205 GJPI Available from Select Sires

Top 1.5% GJPI Cow List at +122

The next dam is an E-90% “Jimmie” followed by “Daffy.”

Pearlmount Denzel Emerald, P9

Born: August 27, 2013 Sire: Pearlmount Renegade Denzel-ET Top 500 GJPI Heifer

+906M +45F +27P +5.6PL GJPI +194 CDCB: GPTA 1/15 67%R JHIF

She is bred to “Archer” and due August 11.

“Denzel” is a “Renegade” son of “Restore Deena,” E-90% a daughter of “Daffy.”

Pearlmount Jupiter Darla, P9

Born: June 2, 2013 Sire: Sun Valley Impuls Jupiter

+1,006M +51F +41P GJPI +169 CDCB: GPTA 12/14 70%R JHIF

15 ETs coming from “Darla” starting in March all from one flush.

She is bred to “Formidable” and due April 17.

Her dam is an E-90% “Jimmie” followed by “Daffy.”

These are just a few of our high ranking animals from “Daffy.” We believe “Daffy” and her offspring have helped our herd to rank 9th in the nation for JPI.

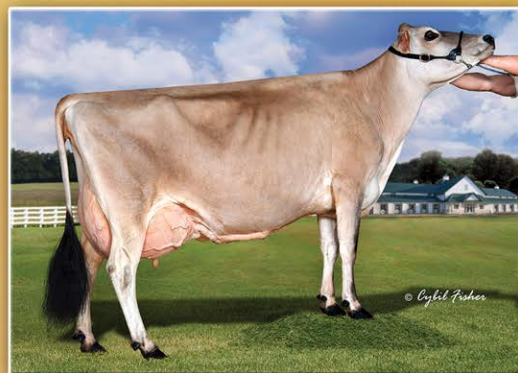

79 cows average +62 • 15 cows rank on the Top 1.5% GJPI Cow List
