Are you looking to increase the female to male ratio on your farm?

### SEXED SEMEN NOW AVAILABLE COMMERCIALY!

The use of sexed semen is extremely economical due to the increased demand of Jersey heifers and the low value of Jersey bull calves.

Heifer Quest has sexed semen available at a higher than 90% heifer calf ration.

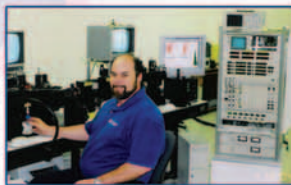

Contact us today about our up coming Jersey lineup.

Introducing the *NEW*  
**1st Choice  
Jersey Liner**  
"Special Liners for  
Special Cows"

The 1st Choice brand of milking liners has expanded their product line to include an inflation designed specifically to meet the needs of the Jersey breed.

#### Features of this new Jersey liner are:

- Narrow bore size
- Mouthpiece diameter to fit the majority of Jerseys
- Overall length of liner and shell designed short enough to allow units to hang freely
- Long life with clean milk-out characteristics
- Vented style option
